SORT Source of Reliable Technology

Industrial Automation at its Best!

AUTOMOTIVE • PACKAGING • PHARMACEUTICAL • ROBOTICS • FOOD & BEVERAGE • MOBILE • MINING • AUTONOMOUS VEHICLES

SICK

SENSORS: Photoelectric, Array, Fork, Fiber Optic, Contrast, Colour, Luminescence, Glare, Distance Measuring, Proximity, Inertial, Cylinder, Ultrasonic, Encoders, Pressure, Flow, Temperature, Level

SAFETY: Light Curtains, Area Scanners, Relays/ Safety Programmable Controllers, Interlock Switches

MACHINE VISION: 2D & 3D Imaging, Pattern Match, Shape, Position, Dimensioning, Date Code, 1D & 2D Barcode

AUTO IDENTIFICATION: 1D & 2D Barcode Scanning, Handheld, Fixed Mounted, RFID

OPTO 22

GROOV EPIC: The Edge Programmable Industrial Controller provides control, connectivity, data handling, and visualization at the edge of your network and is ideal for industrial internet of things (IIoT) applications or any automation application.

GROOV RIO: Edge I/O for the IIoT - groov RIO® revolutionizes remote I/O by offering over 200,000 unique, software-configurable I/O combinations in a single, compact, PoE-powered industrial package with web-based configuration, commissioning, and flow logic software built in, plus support for multiple OT and IT protocols.

SNAP PAC: An integrated system of hardware and software for industrial control, remote monitoring, data acquisition, and Internet of Things (IIoT) applications.

GLUEFAST

GLUING MACHINERY: Water Based Adhesives, Hot Melt Adhesives
ADHESIVES: Water based & bulk hot melt
HOT MELT: Glue guns & glue sticks
WALL ART INDUSTRY: Water Based Acrylic Coatings

LARCO

SAFETY: Mats, Edges, Bumper guards

SPRECHER & SCHUH

MOTOR CONTROL: Contactors, Overloads, Starters, Soft Starters
PILOT DEVICES: Indicators, Buttons Luminated and Non-Illuminated
DISCONNECTS: Fusible and Non-Fusible
ROTARY CAM SWITCHES: On/Off, Reversing, Safety Isolating

LED2WORK

LED LIGHTING: Machine, Task Spot Light
Workstations, Signal, Magnifier Signal, Food &
Beverage, 100% CNC Rated

FINDER

PANEL COMPONENTS: Visual Signaling, Electro Mechanical Relays, Timers, Interface Solutions, Solid State Relays, Thermoregulation Products

GRACE

PANEL INTERFACE: GracePort® fully customizable panel interface connectors, HMI protective housings
LOTO SAFETY: GracePESDs® LED Voltage Presence Indicators, Absence of Voltage Safe-Test Points, Voltage Indicators and Portal Combination Units
IIOT MONITORING: GraceSense™ Switchgear Hot Spot Monitor, Motor Vibration & Temperature Monitoring, Cloud Analytics

ROLAND

DOUBLE SHEET DETECTION: De-stacking Ferrous, Non-Ferrous, Single and Dual Sided
WELD SEAM DETECTION: Tubes and Coils, Detection and Positioning

KÜBLER

SENSORS: Encoders, IO-Link, Radar
SAFETY: Counters, Controllers, Safe Speed Monitors

TURCK

SENSORS: Inductive, Capacitive, Analog, Weld Field Immune, Cylinder Sensors, Weld Nut Detection

RADAR/LEVEL SENSORS: Pressure, Temperature, Flow, Laser, Ultrasonic

POSITION DEVICES: Non-Contact Encoders, Non-Contact Linear Position, Cabinet Monitors

NON CONTACT POWER/IDENTIFICATION: Inductive Couplers, RFID, IO LINK RFID

CORDSETS: Pico (M8), Euro (M12), Mini (7/8"), Versa (M16), Multi (M23/M27), High Flex, Ethernet (RJ45, M8, D-Code, X-Code, Gigabit), Bulk Cable, Passive IO Blocks, Splitters, Receptacles

INTRINSICALLY SAFETY/SAFETY: Barriers, Namur Sensors, CIPsafety & Profisafe Full Safety and Hybrid Blocks

NETWORK BLOCKS/IO (IP67/IP20): Ethernet/IP, Profinet, Modbus, EtherCat, IO Link, Devicenet, Profibus DP/PA, ASI, IP67 PLC Blocks, PLC HMI's, HMI's

PIZZATO

SAFETY: Limit and Safety Switches, Micro Switches, Safety Interlocks RFID Solutions, Safety Handles, Safety Controllers, 22.5 mm Push Buttons

VANSCO

COLD GLUE: Dispensing Equipment
HOT MELT: Melt Units, Glue Guns, Hoses

AUER SIGNAL

SIGNAL PRODUCTS: Visual Signaling Equipment, Audible Signaling Equipment, Visual-Audible Signaling Equipment, Signal Towers
TOWER LIGHTS: 40, 50, 60, 70, 90, 120mm Dia, Beacons, Sounders, Strobe, Flashing
SMART SIGNALING: Smart Beacons, Smart Buzzer, Smart Beacons & Buzzer, Smart Tower

BIRCHER

SAFETY: Mats, Edges, Bumper guards

8-2266 Drew Road, Mississauga, ON L5S-1B1 905-673-7678 Fax: 905-673-7637
